## FOR IMMEDIATE RELEASE

### **Westbound State Route 37 Opens - Emergency Repair Update** *Reopened at 7:00 AM Wednesday, February 20*

**Marin County** – Caltrans reopened westbound lanes of State Route 37 (SR-37) in Marin County at 7:00 AM today in time for this morning's commute – five hours ahead of the earlier projection.

**Caption:** WB SR-37 Marin County – February 20, 2019 at 7:00 AM

“Caltrans crews have been working around the clock to open this vital corridor,” said Caltrans District 4 Director Tony Tavares. “Safety is always our highest priority for highway workers and drivers on California’s highways.”

Westbound SR-37 had been closed from Friday, February 15 through this morning in Novato between Lakeville Highway and US 101 due to flooding caused by a breach in nearby levees.

Travel information is available on Caltrans QuickMap: <http://quickmap.dot.ca.gov/> and [511.org](http://511.org).
